## **ASP INSTRUCTOR TRAINING IS COMING TO YOUR AREA**

Training dates: 28 – 30 May 2024

**Mooresville Police Department is pleased to be bringing Armament Systems and Procedures (ASP) training to North Carolina.** The internationally respected and sought-after ASP Instructor Certification (AIC) course is a high intensity three-day program. The program teaches the integrated use of the three most commonly used duty belt tools: baton, restraints, and tactical flashlight. AIC students participate in a demanding progression of classroom and fast-paced physical training. The training covers both the principle and practice of different baton strikes, restraint application, and tactical flashlight use. This intense course includes multi-use drills, general tactics, and expert support in the event of litigation. You do not have to be a current user of ASP products to attend.

**This is an ASP factory-sponsored training—there is no charge to attend, and each participant will keep over \$300 worth of ASP equipment upon successful completion of the AIC.**

### **Training location**

Charles Mack Citizen Center  
215 N Main ST  
Mooresville, NC 28115
