

Modern Auto Theft: Trends, Impact & Illusions

“A New Era of Auto Theft is Upon Us”

LIVE ONLINE TRAINING

Vehicle Theft and Auto Fraud trends must be current to law enforcement and Insurance Fraud Investigators to mitigate impact. Impact to communities and companies can be severe if not addressed. This session covers a broad range of topics related to vehicle theft and auto fraud trends while focusing on providing the attendees with awareness and tools to enhance their investigations. The course will raise awareness of the current trends seen and how AI and technology are playing a larger role in auto theft and vehicle fraud nationally. This course will be packed with investigative considerations for the various types of auto theft and vehicle fraud as well as recommendations on which database tools and investigative support can be used to join the collective fight against these crimes.

Course Topics Include:

- Auto Theft Trends
- Auto Theft Impact to Communities
- Auto Theft Impact to Insurance Carriers
- Organized Auto Crime Overview-Chop Shops and Insurance Fraud
- Investigative Tools to Combat Auto Theft & Vehicle Fraud
- Keyless Auto Thefts
- Infotainment vs. Telematics
- Technology and Modern Auto Theft Investigations
- Database Tips for Vehicle Crime Investigations
- VIN Verification Tips and Tools
- And more!

INSTRUCTOR

George Riley is currently the 4th Vice President for the International Association of Auto Theft Investigators-NE Chapter and a Certified Vehicle Crimes Specialist. In this capacity he consults and provides auto theft and vehicle crimes training in the northeast USA as well as eastern provinces of Canada. George is employed as the Special Investigation Unit Manager for a Regional Insurance Carrier in Pennsylvania where has worked for the past 6 years. In this capacity, he manages the company’s anti-fraud program, anti-fraud compliance and insurance fraud investigations across multiple lines of business in 24 states. Auto theft and auto fraud detection, investigation and mitigation are a focus in his current position. George spent 21 years employed by the York City Police Dept. in York, PA. During his career, he investigated over 170 Homicide cases of varying causes and complexity. He has been internationally published and was interviewed on regional television on the unconventional use of magic as a defensive barrier removal tool in interviews, interrogations and witness interactions. Unsurprisingly, he is also a professional magician and public speaker who performs and speaks at different venues around the US as well as on regional television.
