

ACTIVE THREAT LAB

METHOD ENDEAVORS & VALOR THREAT PROTECTION

THE COURSE:

Join Method Endeavors and Valor Threat Protection in Arizona for a 3-day intensive Active Threat Lab (ATL) course for law enforcement professionals. Enhance your rapid response skills, develop the mindset for split-second decision-making, and master CQB principles and firearm accuracy in high-threat environments. This course uses a Crawl-Walk-Run methodology to prepare you for real-life active threat scenarios.

DEC 27-29
GLENDALE, AZ
COST: \$850

COURSE OUTLINE:

- Day 1 - Active threat movement fundamentals and sim/UTM training at a local school with volunteer staff.
- Day 2 - Live-fire at a local LE Range hosted by the local dept.
- Day 3 - Full on coordinated force on force active shooter scenarios at a local school with volunteer staff.

ACTIVE THREAT LAB

TRAINING CADRE:

The ATL will be led by Method Endeavors & Valor Threat Protection Cadre, combining lifelong experience of Special Operations personnel and Tactical Law Enforcement professionals with 15+ Years on a full time SWAT Team. We believe in the sharing of knowledge and experience will better prepare all students for any scenario and any option because they have been exposed to all of it in training.
