### Course Overview

This fast paced comprehensive 1-Day 10-Hour **proprietary** course, delivered in a variety of formats, was developed by Triple I Solutions and is delivered by a variety of qualified instructors and subject matter experts in the field of interdiction. The tactics taught are based on the operational expertise of the presenters in the field and while conducting "interdiction investigations. Designed to enhance the student's ability to articulate the learned objectives and tactics in a report as well as prepare the student to effectively testify to the observations in a court proceeding. Upon completion of the course, the student will not only have the knowledge necessary to be more effective, but also the confidence to employ the learned tactics to produce and deliver solid interdiction cases to the prosecutors.

\* Triple I Solutions does not promote racial/ethnic profiling and policing for profit tactics.
